Grace forward get 3 people to pray the Rosary

(offering the Rosary up to Our Lady for the Triumph of her Immaculate Heart of Mary and the Consecration of Russia, and wear the Brown Scapular (with the intention to be enrolled if they are not). Each time before the recitation of the Rosary---a good act of contrition for all the sins of ones whole life, and with the intention of going to confession if they do not frequent the Sacraments regularly or are not Catholic. Teach people the mysteries; to invoke before each decade a particular virtue or petition attached to that decade and mystery.

Then when they have learned it they **get three others** and so and and so forth..... ***"One day I will save the world through the Scapular and the Rosary."***
