Subject: The Rosary Tidbits

The rosary has saved so many people from dying a sudden death.
You should carry some extra blessed ones to hand out. Think of the good works and graces you will be accumulating before you die.

Also, **please Our Lady.** Make Her the most happiest mother on this earth for Mother's Day! Think of ways to give Her a Mother's Day Gift. Mother's Day is on Sunday, May 13th! May 13th is one of Our Lady's days when she appeared to the three little children at Fatima.

In "**The Secret of the Rosary**," I recall reading a story in there that surprised me. There was a man who died and he was being judged before Christ. Well, Our Lady was there next to Her Son, Jesus. She told Jesus that the man kept the rosary in his pocket. So - that saved him! Would you believe that? Or else - there was another story where a man made all his servants pray the rosary. When he died, he was able to go to heaven because of what he did to encourage the rosary to his servants.

You see? It's a win-win situation. You can never lose.

Here's another story that was bizarre. My friend Teresa and I went out and I didn't really feel like shopping. Well, she insisted that I try this particular ring on. It was made in Mexico and is made of three kinds of gold. The design has Our Lady of Guadalupe on it with intricate lace-work design on it. I tried it on, and I was surprised that it fit perfectly. Teresa told me that I should get it. I thought about it really hard. And I thought to myself, that before my Mother died, she gave me to the Blessed Mother. OK! So I made my decision. I bought it. And when I would show it to some friends, I had a weird experience. When they saw the ring, they saw many brilliant colors on it. That's not what the original ring looks like at all. Now and then, I get the same comments. It's so strange. **Father Daniel Cooper**, SSPX blessed my ring. His birthday is on - - - Dec. 12th.
